

Full Height Turnstiles

A mobility hotspot is a domain that forms the gateway to a visitor's destination. Mobility hotspots are not limited to the inside of a building. Managing the flow of visitors in outside areas, can be achieved through Boon Edam full height turnstiles. However our range also includes a number of options that are suitable for inside use as well and complement the surrounding building.

Turnlock 100

The Turnlock 100 is a heavy duty full height turnstile that is suitable to ensure outside perimeter security. This stainless steel turnstile is available with three or four door wings with either straight or curved arms. The Turnlock 100 tandem turnstile combines the functionality of two single turnstiles into one space-saving turnstile.
